PURPOSE

The Support Bulletin, to be published periodically, is designed to keep headquarters and field personnel informed on administrative, personnel, and support matters. The Support Bulletin is not directive in nature but rather attempts to present items which, in general, are of interest to all personnel and, in particular, of interest to those employees occupying various support positions. Suggestions and constructive criticism from both headquarters and field personnel are encouraged.

NOTE: — This bulletin is *for information only*. It does not constitute authority for action and is in no way a substitute for regulatory material.
